RE: Change in Ownership for Water Right No. 84-10463

Dear Mr. & Mrs. Eich:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

During our review of the documentation you submitted, we found some discrepancies between your documentation and the legal description of the place of use for the water right indicated in your notice. The warranty deed submitted indicates the water right is located in the NW $\frac{1}{4}$ NW $\frac{1}{4}$, S. 34, T36N, R2E and in Government Lot 1 of S. 33, T36N, R2E. The water right number you requested the change in ownership for indicates that the right is in the NE $\frac{1}{4}$ NW $\frac{1}{4}$.

Enclosed you will find a report of the water right which may be associated with the property on the warranty deed and a copy of the right for which you requested the change in ownership. If you would like to change the request to reflect water right number 84-10462, please indicate this in writing.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,

A handwritten signature in cursive script that reads "Emalee Rushing".
