Hi Emalee,

This email is a follow up to our phone conversation on April 6, 2007. I am requesting our previous request for a change in water right ownership for water right #84-10463 to be amended to water right #84-10462. This more accurately reflects the true physical description of the water rights in question for which we are applying for a change in ownership.

Please advise if this email will suffice or if additional information is necessary.

Thanks for all of your help,

Steve Eich
