Subject: St. Luke's Medical Center Application

Jim,

See below - sorry about the delay...

That's the signature of Gary Fletcher the President of SLRMC...

Thanks, Jeff

-snip -

Also, Jim Stanton (IDWR - Southern Region) called yesterday regarding the permit application that we submitted for backup water for the Magic Valley vicinity (a copy of the signed permit application is attached). He would like to know the name of the person (and title) of the person that signed the form - could you please send that to me?. Everything else looked good to him.

Thanks,

Christian
