RE: Change of Ownership for Water Rights 35-2097J, 35-4156, 35-7429, 35-13042, 35-13053 and 35-13054

Dear Mr. and Mrs. Perschon:

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the changes in ownership and has enclosed computer-generated reports for your records.

The original application you submitted requested water right 35-7429 to be split. Upon review of the water right and the evidence of ownership you submitted with your application, it was determined a split was not necessary. Since the split fee you paid is \$100 and we only require \$25 for an ownership change, we will be refunding you the difference shortly.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
