PROOF ACKNOWLEDGMENT LETTER

RE: PERMIT NO. 67-14671

Dear Permit Holder:

The department acknowledges receipt of the proof of beneficial use form and examination fee submitted for the above referenced permit. Enclosed is an order reinstating the referenced permit. The Department made an error in processing your proof of beneficial use. Therefore, the priority date will not be advanced due to the error. The next step in the process of developing a water right is for the department to contact you to schedule a field examination to determine and confirm the use being made of the water, and that it meets the permitted beneficial use.

Be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office.

If you have questions concerning the field examination, please contact the **Western Regional** Office of the department in Boise, Idaho 208-334-2190.

Sincerely,
