CONDITIONS OF APPROVAL

1. Use of water under this right will be regulated by a watermaster with responsibility for the distribution of water among appropriators within a water district. At the time of this approval, this water right is within State Water District No. 74.
2. The right holder shall maintain a measuring device and lockable controlling works of a type approved by the Department in a manner that will provide the watermaster suitable control of the diversion(s).
3. Diversion of water from the Lemhi River is limited to those times water is available for diversion under this right and priority from Kenney Creek at the original point of diversion in the NWNE, S31, T20N, R24E, and to the amount of water that actually reaches the Lemhi River.
4. Prior to diversion of water under this approval, the right holder shall provide a means of measurement acceptable to the department for measuring the flow in Kenney Creek at the original point of diversion and at the point of diversion from the Lemhi River.
5. Prior to the diversion and use of water under this approval, the right holder shall comply with all fish screening and/or fish passage requirements of the Idaho Department of Fish and Game.

WATER RIGHT NO. 74-15233
As Modified by Transfer No. 73143

CONDITIONS OF APPROVAL

6. This right does not grant any right-of-way or easement across the land of another.
7. This right when combined with all other rights shall provide no more than 3.5 afa per acre at the field headgate for irrigation of the lands above.
8. The right holder shall accomplish the change authorized by this transfer within one years of the date of this approval.
9. Failure of the right holder to comply with the conditions of this transfer is cause for the Director to rescind approval of the transfer.
10. Pursuant to Section 42-1412(6), Idaho Code, this water right is subject to such general provisions necessary for the definition of the rights or for the efficient administration of water rights as may be determined by the Snake River Basin Adjudication court at a point in time no later than the entry of the final unified decree.

This water right is subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
