6. General Information:

General Information:

a. Who owns the water right to be changed? Melvin & Esther Osborn

b. Describe the arrangement allowing use of the right We rent land from them and have their permission to temporarily transfer the water.

c. Describe the affect on the land now irrigated if the change is approved pursuant to this application:
It won't affect the Land. We turned the water off the last week of July. Our crop of grain was matured.

d. Has the water right sought to be transferred been used this year? yes If yes, explain. We raised a grain crop and finished it the last week of July.

e. Absent the changes, how would the right be used for the remainder of the year? It would be used in the fall in preparation for next years crop.

f. Describe other water rights used for the same purpose.

g. Remarks:

I hereby assume all risk in accordance with Section 42-222A, Idaho Code, and assert that no one will be injured by such change and that the change does not constitute an enlargement in use of the original right. The information contained in this application is true to the best of my knowledge. I understand that any willful misrepresentations made in this application may result in voiding its approval.
