RE: Notice of Change of Water Right Ownership for Water Right Nos. 41-4012A & 41-4012B

Dear Mr. Riley:

Therefore, I am returning the Notice of Change in Water Right Ownership request. A copy of your ownership change request information will be kept in our files for reference.

If, at a later date, you wish to reinstate this request you may send the enclosed ownership change request form along with the required support data and we will be happy to complete the request for you.

If you have any questions regarding this matter, please call me at 208-287-4945.

Sincerely,

6. If the change in ownership affects the entire water right for each water right or adjudication claim number listed in item 1, THEN SKIP THIS ITEM AND GO TO ITEM 7. If the change in ownership divides the water right(s) among multiple owners, you must describe, in detail, your portion of each water right after the change. Fill in the appropriate spaces in the box(es) below to describe your water right(s) after the change (one water right per box, you may copy this page as necessary). If your quantity of water is greater than a proportionate split, you must attach documentation to show justification for a larger amount. If you are not sure how to identify your portion of the original water right or adjudication claim records, please contact the nearest IDWR office for assistance.
