Subject: RE: Ownership change/Water Rights

Hi John . . .

Here is a copy of the e-mail that I sent to Bill Forsberg on June 17, 2005 regarding the information that is still needed to complete the ownership changes for 4 Creeks Land & Livestock.

Water right 31-11 & 31-12A: Section 22 - need proof of ownership on: 12 acres in NWSW
6 acres in SWSW

Water right 31-302A: Section 23 - need proof of ownership for stockwater in NWSE

Water right 31-304: Sections 18 & 24 - need proof of ownership for stockwater in NENE

John, if you still have questions about any of this you can call me at 208-287-4952.

Thanks,

Kari Lynn Townsend
