RE: Change in Ownership of Water Right Permit No. 36-8345 and  
Water Right Nos. 36-2529 & 36-7337B

Dear Trustees:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Because one of the water rights (36-8345) is still in the permit stage, an Assignment of Permit will be required to complete the ownership change. Enclosed is an assignment form for your use. Please note that there is a \$25 filing fee required. The \$25 paid for the request for change in water right ownership can be applied toward this fee.

The Department notes that the new owner as written on the Notice of Change in Water Right Ownership is listed as "John & Sharon Family Trust" and copies of the tax bills indicate Haagsma Family Trust or your names followed by trustees. Please clarify the name(s) of the new owner(s).

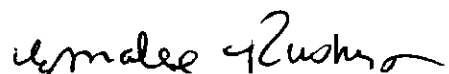

Please submit proof of Water Right Ownership in the form of a copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question. A copy of a tax bill is not sufficient evidence of water right ownership.

Because the Department cannot process the ownership change without the proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days, we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

Please feel free to contact the Department if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Emalee Rushing", with a stylized flourish at the end.
