RE: Water Right Nos. 29-4075 and 29-13285

Dear Mr. Anderson:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership for the water rights referenced above. Our review of your notice indicates that additional information is required before we can process the change.

The deeds submitted with your notice have apparently been superseded by a Warranty Deed dated September 18, 1997 conveying the property from John and Julie Baker to AICO Recreational Properties LLC. That Warranty deed was used as the basis for decree of the water rights by the Snake River Basin Adjudication Court. If the property has been conveyed to Recreational Properties A & B, A Partnership, please submit evidence in the form of a deed or other conveyance document indicating the new owner. If the entity name has been formally changed, please provide documentation of the change and registration of the entity with the Secretary of State's Office as an entity authorized to do business in Idaho.

The Department will hold further action on your notice until the required information is provided. Please feel free to contact me at 208-287-4948 if you have any questions.

Sincerely,

For Jeff Peppersack, Manager
Water Right Permits Section
