DEPARTMENT OF  
WATER RESOURCES

Mr. Hood,

This email is being sent in response to your inquiry as to the status of your ownership change request. We are in receipt of the Notice of the Change in Water Right Ownership as of Jan. 22, 2007.

I have reviewed the documents submitted and everything appears to be in order other than the fee of \$25 was not submitted. Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed.

Please submit the fee of \$25 to the Dept. of Water Resources within 30 days. Please reference the water right number when you submit the check. Upon receipt of the fee, I will process your request.

Thank you,  
 Emalee Rushing
