RE: Water Right 96-8836

Dear Mr. Swartout:

The Department of Water Resources has received your letter of October 24, 2006 regarding ownership of the water right referenced above. Our previous correspondence to you on October 18, 2006 included a report of the water right showing Robert Rickel as current owner in addition to Riverside Development Company. That information was an error and should have listed Robert Rickel as the original owner. We have corrected the water right record and enclosed a corrected report for your reference. We apologize for the error and any confusion it may have caused.

Please contact me if you have additional concerns or questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Peppersack". The signature is fluid and cursive, with the first name "Jeff" being more prominent.
