RE: Ownership change for Decreed Water Right 81-10222

Dear Ms. Howard:

The Department of Water Resources has review the enclosed package of information that was submitted as support data for changing ownership of the above listed water right.

It appears the information provided has no reference to water right 81-10222 so we are returning it to you.

I have enclosed a copy of the decreed water right 81-10222 so that you can see the legal description and perhaps provide support data that matches that legal description.

If you have questions regarding this matter, please call me at 208-298-4952.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kari Lynn Townsend', is written over a horizontal line.
