RE: Change in Ownership for Water Right No. 78-7352

Dear Mr. Riley:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

X Evidence of Water Right Ownership: copy of Warranty Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

X Legal Description of Property

The Warranty Deed you provided with the ownership change form conveys the property in question to Mr. & Mrs. Vogelsong. In order to complete the ownership change into your name, we will need the Warranty Deed conveying the property into your name. Please forward this documentation to our office so the ownership change may be completed.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have questions, please contact ~~Kari Lynn Townsend~~ at 208-287-4952.
