RE: Application for Transfer of Water Rights - Wolfe

Dear Mr. Lester:

In a letter dated November 29, 2005, you outlined a solution for Mr. Wolfe and his dilemma with the "transfer processing delay". The solution is that IDWR would conduct a cursory review of the transfer and if it advertises without protest, then a water supply bank rental agreement could be arranged.

Mr. Wolfe provided his signature on the enclosed form signifying an interest in proceeding with this idea.

We look forward to working with you on this project.

Regards,

A handwritten signature in cursive script that reads "Steve R. Hannula".
