Re: Address Correction for PTR Inc. Records

Dear Sandra and Jack:

Based on Jack's call the other day, I completed a database correction for all Idaho Department of Water Resources (IDWR) records in the name of PTR Inc. The records now reflect the current and correct Garden Valley address.

Your September 2004 "change in address" form was incorrectly executed by IDWR, resulting in the outdated Boise address for all the records. That error has been cleared up as shown in the enclosed printouts for all PTR Inc. water rights, including the newest one, Water Permit 65-22994.

Thank you for bringing this to my attention. This should resolve the problems in this matter. Please let me know if you have other questions or problems regarding the PTR records.

Sincerely,

Steve Lester
Water Rights Supervisor
