RE: Jack Post Application for Transfer

Dear IDWR:

Attached, please find an Application for Transfer in the name of Jack and/or Karla Post. The applicants have purchased a 226.5-acre portion of Snake River water right 02-10224 and are seeking to move that portion to their farm within the South Elmore Irrigation District. Previous transfers have been submitted involving this same Snake River right (02-10224); this transfer involves the remaining portion of that parent water right.

Please mail to ERO the receipt for the enclosed \$370 filing fee and the date-stamped page of the transfer for my records. Thank you.

If you have any questions, please call.

Regards,

Steven R. Hannula
