The Department issued permit no. 96-9198 in the name of Steve & Jill Mix ("permit holder") with the condition that proof of construction of works and application of water to beneficial use ("proof") be submitted to the Department on or before January 1, 2006.

The Department notified the permit holder on October 31, 2005, that proof of beneficial use was due and instructed the permit holders of the steps to be taken to submit the proof of beneficial use or an extension of time request.

On January 1, 2006, the permit lapsed since the Department had not received an acceptable proof of beneficial use statement or extension of time from the permit holder.
