RE: PERMIT NO. 96-9185

Dear Permit Holder:

The Department recently discovered an error while processing the Proof of Beneficial Use ("proof") form you filed on August 24, 2006. It was found that the Department failed to notify you that proof was due by August 1, 2006. Therefore, the enclosed order reinstates the permit without change to your original priority date.

The Department acknowledges receipt of the proof form submitted for the above-referenced permit. The next step in the process of developing a water right is for the department to conduct the field examination to determine and confirm the use of the water, and that it meets the permitted beneficial use.

Be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

If you have any questions about this matter please contact me at (208) 287-4942, or, if you have questions about the field examination, please contact the **Northern** Regional Office of the department in Coeur d'Alene at (208) 762-2800.

Sincerely,

Deborah J. Gibson
