SUBJECT: EAGLE VIEW ESTATES WELL DRILLING PERMIT

Rob, the water rights on this well drilling permit were not clear, so I researched them to find out what was going on with them. Apparently, the original water right 57-7597 was assigned to Eagle Estates Homeowners Assn. #4 in 1999. Then just lately the homeowners have begun to split the water right into separate ownership per ownership of each lot. Currently, 57-7597 has been split into 3 portions. The first portion is still in the name of Eagle View Estates Homeowners Assn. #4 and is listed as 57-11610 (4-5 acre lots). The second portion is in the name of Dennis Robinson and is listed as 57-11611 (1 – 5 acre lot). The third portion is in the name of Richard and Christine Wawock and is listed as 57-11612 (1 – 5 acre lot). All three water rights still use the same well, so all 3 water rights should be on the well drilling permit. The following is a list of the lots associated with each water right.

63-11610 (Eagle View Estates Homeowners Assn #4) – Block 2 - Lot 1, Lot 4, Lot 5 and Block 3 – Lot 1.

63-11611 (Robinson) – Block 2 – Lot 3

63-11612 (Wawock) – Block 2 – Lot 2

Well Located on Block 2- Lot 6 for all three water rights.

Thanks

Dan Nelson
