REINSTATEMENT ORDER

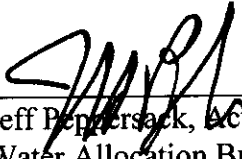

The Department issued the above-captioned permit with the condition that proof of construction of works and application of water to the permitted beneficial use be submitted to the Department on or before November 1, 2005.

On May 1, 2006, the Department received a Proof of Beneficial Use ("proof") filed by the permit holder. It was found that the Department did not produce a Proof Due Notice letter to provide the permit holder with notice for filing a timely Proof of Beneficial Use.

Section 42-218a(3), Idaho Code, provides that the Department may reinstate a permit based on department error without advancing the permit's original priority date.

IT IS HEREBY ORDERED that Permit No. 96-9244 is **REINSTATED** with no advance of the July 22, 2005 priority date.

DATED this 24th day of April, 2007.
