

MEMORANDUM

DATE: August 14, 2006

FROM: Darla Block

TO: File

SUBJECT: Phone Call from Jim Hallinan

Mr. Hallinan called today confused about why right 29-11627 does not apply to his land. We explained to him that the map clearly shows his water right in section 23, and that the water right he listed on the ownership change form is in section 24. We suggested that 29-494F is appurtenant to his land.

It appears that when Mr. Reifsnyder, previous owner, requested the change from Higleys name into his own. Mr. Reifsnyder requested a change from all Higleys rights by mistake. Higley only sold the land pertaining to water right 29-494F to Reifsnyder now owned by Hallinan.

Please see attached memo dated 7/24/2001.
