PROOF ACKNOWLEDGEMENT LETTER

RE: PERMIT NO. 65-22915

Dear Permit Holders:

The department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the department to contact you to schedule a field examination to determine and confirm the use being made of the water, and that it meets the permitted beneficial use.

In response to your request to waive your measurement requirement, the department has issued the enclosed Order waiving the measurement condition of your permit at this time. The department will notify you if this condition must be reinstated, should there become a need to measure your water use in the future.

Be advised that Section 42-248, Idaho Code, requires you or the owner of these water rights to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

If you have questions, please contact the Western Regional Office of the department in Boise, ID (208) 334-2190.

Sincerely,

Brian Cox
