Re: *Permit No. 65-22915*

Dear Mr. Keen:

Attached to this letter is a Proof of Beneficial Use. John Leedom has faxed to you his statement that the lockable headgate and the measuring devices on the subject Turner Pond not be required as conditions of approval of the permit. Accordingly, by this letter, request is made for waiver of those conditions, as well as any others not needed if the headgate and measuring device conditions are waived. Please have the Department issue an Order waiving said conditions and, when it is issued, please forward a copy to all three permit holders.

Also enclosed is a check in the amount of \$50.00 to cover the filing fee for the Proof of Beneficial Use.

Thanks again for all your help.

Sincerely,

DARYL HART
