RE: Water Right No. 29-11627
Change in Ownership

Dear Mr. and Mrs. Hallinan:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

☒ **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

☒ **Legal Description of Property**

During our review of the evidence you submitted we found that the evidence does not appear to match the water right listed on your change of ownership form. The water right listed on your form is located in section 24 of 7S 35E. The warranty deed you provided is for property in section 23. Water right no. 29-494F is appurtenant to your property in Section 23 of 7S 35E. The enclosed sheets describe both water rights. Please contact us if you would like to change your notice.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

If you have any questions regarding this matter, please call Darla Block at 208-287-4945.

Sincerely,

A handwritten signature in cursive script that reads "Darla Block".
