RE: APPLICATION FOR PERMIT FEE FOR 02-10327

Ladies and Gentlemen:

On 12/20/2005, Cleon May filed an application for permit for a pond. This application was amended on 7/25 2006. Processing of that application is on its final stages and a decision on the application should be made within the next few weeks.

As part of the application review process, we discovered that you paid an extra \$100.00 for the processing fee. I have sent a request to our state office staff to refund this amount. It should arrive within the next few weeks under their letterhead. Please watch for this letter so the funds are not lost.

If you have any questions or concerns please contact me at the above address.

Respectfully,

Daniel A. Nelson
Sr. Water Right Agent
