Re: Water Right 63-21702

Dear Mr. Wilson:

This letter is a follow up to our phone conversation on May 9, 2003 regarding a temporary living permit for Hazel Ellis (your file no. 03-13-TP). It is my understanding that the temporary permit is for an additional temporary residence on the Ellis property and will include a water supply from an existing well on the property.

A search of our database indicates a decreed water right in the name of Hazel or William Ellis for domestic use from ground water with a priority date of December 31, 1971. I have attached a water right report from our database for your records. Domestic use is defined under Section 42-111, *Idaho Code* and, for uses associated with a home, is limited to ½ acre of irrigation and 13,000 gallons per day.

If you have any questions regarding this matter, please feel free to contact the Department.

Sincerely,

Jeff Peppersack, Manager
Water Right Permits Section
