RE: Telephone conversation

=====

I called Arlen DeMeyer, Jr. regarding the lack of proof of ownership for the above 4 water rights.

Mr. DeMeyer said that these water rights had been owned by his parents who are now both deceased and their estate is in probate and he is waiting for the probate court to release documents to him. He will contact our office with the appropriate documentation as soon as possible.

RE: Change of Ownership for Water Right 63-17060, 63-17061, 63-17062, and 63-17063

Dear Mr. DeMeyer:

In reference to our letters of May 3, 2004, June 7, 2004 (letters enclosed), and our telephone conversation in July 2004 we have not received the support data and the \$75 filing fee that is necessary to process your request for change in water right ownership.

Per our telephone conversation in July 2004, we realize that your parent's estate has been in probate and that you have been waiting for the probate court to release the documents to you. We have determined that until we receive the appropriate documentation and fees we are going to retain your notice and documentation you submitted in December 2002 and re-shelve the files pertinent to the above referenced water rights. When you receive the appropriate documentation from the probate court you may send us the documentation with the \$75 filing fee and we will process your request.

If you have any questions regarding this matter, please call me (Justin Aldridge) at 208-287-4944 or Kari Lynn Townsend at 208-287-4952.

Sincerely,

RE: Change in Ownership for Water Right 63-17060, 63-17061, 63-17062, and 63-17063

Dear Mr. DeMeyer:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

☒ Filing Fee of \$25 per water right

☒ Evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

During our review of the documentation you submitted we found no proof of ownership of the property. For the water right ownership to be changed you will need to submit documentation proving your ownership of the property. The Disclaimer of Interest that was furnished with your request does not convey the property to you and is not proof of ownership. It is being returned with this letter.

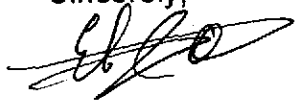

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. The filing fee for your notice was \$100. In Dec 2002 Coie Perkins LLP paid \$25 for water right 63-17060. We have determined that, when the necessary documentation is received, the remaining filing fee for your notice will be \$75.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending their receipt. If we do not receive the necessary information and fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

If you have any questions regarding this matter, please call Kari Lynn Townsend at 208-327-7941.

Sincerely,

A handwritten signature in black ink, appearing to read "E. Aldridge", with a stylized flourish extending to the right.

RE: Change in Ownership for Water Right 63-17060, 63-17061, 63-17062, and 63-17063

Dear Mr. DeMeyer:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

☒ **Filing Fee** of \$25 per water right

☒ **Evidence of Water Right Ownership:** copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

During our review of the documentation you submitted we found no proof of ownership of the property. For the water right ownership to be changed you will need to submit documentation proving your ownership of the property. The Disclaimer of Interest that was furnished with your request does not convey the property to you and is not proof of ownership. It is being returned with this letter.

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. The filing fee for your notice was \$100. In Dec 2002 Coie Perkins LLP paid \$25 for water right 63-17060. We have determined that, when the necessary documentation is received, the remaining filing fee for your notice will be **\$75**.

Because the Department cannot process the ownership change without proper documentation and fees, we will hold any action on your notice pending their receipt. If we do not receive the necessary information and fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee.
