RE: Assignment of Permit for Water Right 36-8686

Dear Mr. Anderson and Mr. Grant:

The Department of Water Resources acknowledges receipt of your Notice of Assignment of Permit. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

 x **Notarized Signature** for Assignment of Permit. Since Blake Grant also has ownership over the water right permit, we need his signature on the form that you submitted. Please return the assignment of permit form with the appropriate signatures.

Because the Department cannot process the ownership change without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that water right owners are required to report any change in water right ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's homepage (<http://www.idwr.state.id.us>) on the Internet to obtain the proper forms and instructions.

Please feel free to contact the Department if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'Shelley Keen'.
