RE: Change in Ownership of Water Right Permit No. 36-8345 and
Water Right Nos. 36-2529 & 36-7337B

Dear Trustees:

The Department of Water Resources acknowledges receipt of the assignment of permit for the above referenced water right permit. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

We are still unable to complete the ownership change to Water Right Nos. 36-2529 and 36-7337B. We need to see Exhibit "A" as referenced on the warranty. Specifically, we need the legal description of the property which I'm sure is included in Exhibit A.

As stated before in the previous letter, the Department cannot process the ownership change without the proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days, we will return your notice and all attachments and your notice will not be processed.

Please feel free to contact the Department if you have any questions.

Sincerely,
