Dear Sirs,

We object to the approval of the application for water right # 67-14758.

We own water right 67-4510. This water right is being reviewed for continuation and reissue in2008.

Initially this right was being recommended for termination and it has been a fight to allow us to keep our 100 year old right.

We believe that if existing water rights can be challenged and are as difficult to keep as we have experienced then, someone coming into the state and buying property and wanting "RECREATIONAL" rights to detour precious stream irrigation water can apply but, should be denied.

Cody's twin sister, Karla Rogers, married Navy Airman Adam Campbell from Broken Arrow, Oklahoma last April. Karla was stationed with the Navy at Koni Oui, Hawaii so the wedding was held on the beach at Wikiki. After the wedding Karla received an honorable discharge and joined Adam at his duty station in Oak Harbor Washington on the Whidbey Island Naval Base. Adam signals for the launch of Prowler jets on the USS Enterprise Aircraft Carrier and is scheduled for his second deployment in July. On December 13 Karla and Adam welcomed their first son, Brennan Mitchell, into the family.
