RE: Change of Ownership for Water Right Nos. 36-2248 36-2249 36-2254A
36-2284 36-2430 36-7688 & 36-8008

Dear Water Right Holder(s):

The department acknowledges receipt of correspondence changing ownership of the above referenced water rights to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated reports for your records. I also noticed that water right #36-2254B is still in the name of Horizon Organic Dairy, Idaho Farm, Inc.

Since the date of this ownership change request we received a change in address form reflecting another owner's name and address, therefore I am returning the change in address form you filed with us. We are unable to process this change in address as it possibly reflects a new owner. I am enclosing an ownership change form for your convenience.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Darla Block
Technical Records Specialist
