RE: Assignment of Permit for Water Right 63-32133

Dear Water Right Holder(s):

The department acknowledges receipt of an Assignment of Permit of the above referenced water right to you. The department has modified its records to reflect the change in ownership and has enclosed a computer-generated report for your records.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Enclosed for your information is a copy of a recent Request for Extension of Time for filing Proof of Beneficial Use. You will be notified in July 2007 of the deadline for filing proof of beneficial use. Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
