RE: Permit No. 63-9206

Dear Permit Holder:

Enclosed is a copy of the approved request for extension of time submitted in connection with the above referenced permit, which extends the time within which to submit proof of beneficial use to **March 1, 2010**. Please note that the approved request reinstates the permit, without advancement of the priority based on department error, as referenced in Section 42-218a, Idaho Code. The department has granted this extension based on litigation delay. It is important that you work diligently toward the completion of the development during the construction period allowed since the department may not be able to grant additional extensions in connection with this permit.

Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Please contact any office of the department for the proper form to file a change of ownership of a water right and/or a change in the address of the owner.

Please contact me directly at (208) 287-4942, if you have any questions regarding this matter.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
