RE: Change of Ownership for Water Right Nos. 36-8225A 36-8225B & 36-8350

Dear Interested Parties:

We received an ownership change notice from you on 11/13/2006. It appears that this ownership change was filed because of a letter you received from the North Snake Ground Water District saying there was no record that you own the right, land and well. During my review of this ownership change request, I discovered that an ownership change had previously been filed and received from you on 03/09/2006. The water rights had already been changed and Stouder Holsteins LLP shows up in our records as the current owner.

Therefore we are returning the notice and supporting documents to you. We are also enclosing computer-generated reports pertaining to these water rights, and a copy of the ownership change filed with us on 03/09/2006 for your records. We have requested issuance of a refund in the amount of \$75.00 be sent to you.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,
