Re: Permit No. 37-7891

Dear Mr. Faulkner:

The Department of Water Resources acknowledges receipt of your Assignment of Permit. Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

 X Filing Fee of \$25 per permit

 Notarized Signature for Assignment of Permit

Because the Department cannot process the assignment without proper fee, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days, we will return your notice and your notice will not be processed.

Please note that water right owners are required to report any change in water rights ownership and/or mailing address to the Department within 120 days of the change. Failing to report these changes could result in a \$100 late filing fee. Contact any office of the Department or visit the Department's website to obtain the proper forms and instructions. Please feel free to contact this office if you have any questions.

Sincerely,

Trish Fawcett
