Re: Mountain View Water Corporation

Dear Allen:

Enclosed please find an original notice of Substitution of Counsel. As I indicated, Travis Thompson has no objection to vacating the status hearing set for May 1, 2007 and I am sending him a stipulation to that effect, which I ask that he forward to you. My clients would then like to resolve this matter by increasing the number of homes allowed under the current water right of .67 cfs. I think all parties agree that the current right is sufficient to handle the 25 homes now in place. However, according to Cindy Yenter we still need to acquire a new water right for three homes built sometime within the last five or ten years. Wouldn't it be simpler to increase the place of use or the number of homes allowed?

In any event I will be working with Travis to attempt to resolve the matter as expeditiously as possible.

Sincerely,

Craig D. Hobdey
