RE: Change of Ownership for Water Rights 95-2036B, 95-8354 & 95-7033

Dear Water Right Holder:

On April 27, 2007 I spoke with Amy Chestnut of Schwabe Williamson & Wyatt. After re-reviewing the documents previously submitted, the department has modified its records to reflect the name indicated on the Special Warranty Deed rather than the name indicated on the Notice of Change in Water Right Ownership. I have enclosed copies of computer-generated reports for your records.

Please note that as of July 1, 1996, water right owners are required to report any change of water right ownership and any change of mailing address of the owner of a water right to the department. Notice of the change must be provided to the department within 120 days of the change. Change reporting forms are available from any office of the department.

Please feel free to contact this office if you have any questions regarding this matter.

Sincerely,

Emalee Rushing
Technical Records Specialist
