NOTICE OF APPLICATION FOR PERMIT

The following application has been filed to appropriate the public waters of the State of Idaho, Blaine County. This application proposes the diversion and use of water from ground water or surface waters tributary to the Salmon Wild & Scenic River or directly from the Salmon Wild & Scenic River. The decreed minimum stream flow rights for the federal Wild & Scenic Rivers are subordinate to certain categories of water use and to specific amounts of water use established after the minimum stream flow. The water use proposed in the following listed application will benefit from the subordination provision because it is for domestic purposes.

Application No. 71-10905
