

An aerial photograph of a rural landscape. A light-colored road or path runs diagonally from the top right towards the bottom right. A horizontal red line crosses the upper portion of the image. A yellow circle with a black outline, representing a spring, is located on the left side of the road. A white rectangular label with the word "SPRING" in black capital letters is positioned to the left of the yellow circle, with a thin black line pointing from the label to the circle. The terrain is a mix of dark and light brown patches, possibly representing different types of vegetation or soil. Two white circular punch holes are visible at the top edge of the image.
