RE: PERMIT NO. 37-20742

Dear Permit Holder:

I have enclosed a copy of the approved Request for Extension of Time ("request") you submitted to the department in connection with the above referenced permit, which extends the time to submit proof of beneficial use to **January 1, 2008**. Please note that the department granted this extension based on evidence of **due diligence**. This extension is being granted with the understanding that the field examination will be conducted by Brockway Engineering, and will be filed with the department this summer according to the letter dated December 21, 2006, by Charles E. Brockway.

With this letter I am enclosing the Proof of Beneficial Use ("proof") that was filed with the above referenced request. I am returning the proof and ask that it accompany the Beneficial Use Field Examination when it is filed with the department. Additionally, I am asking that the license exam fee paid at the time the proof form was filed be refunded to you. A refund check in the amount of \$125.00 will be issued to you in 7-10 business days.

Section 42-248, Idaho Code requires you or the owner of this water right to maintain current ownership and address records on file with the department. Please contact any office of the department for the proper form to file a change of ownership of a water right and/or a change in the address of the owner. Additionally, these forms can be found on our website at: <http://www.idwr.idaho.gov>

If you have any questions regarding this matter, contact me at (208) 287-4942.

Sincerely,
