Re: Request for extension of time and Proof of beneficial use
Permit # 37-20742

Dear Allan,

As we discussed in your office just last week, the proof due date for permit 37-20742 is January 1st, 2007

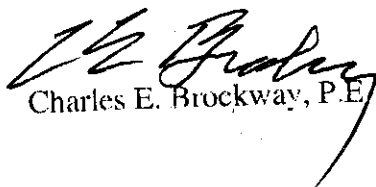

Brockway Engineering was authorized by Mr. Robert G. Friedman, owner of right to perform the field exam. We have not been able to access the property in order to complete the exam due to weather and snow conditions.

I am therefore requesting that an extension of time to submit proof of beneficial use be approved. This request is for an extension of time thru July 31st, 2007. I understand that this permit has already been extended one time; however I believe the circumstances justify this request.

In the event that the Request for Extension of time is not granted I am also submitting a Proof of Beneficial Use form with the accompanying fee. I am also enclosing the filing fee for the Request for Extension of Time of \$50.00 and the License Examination fee of \$125.00 Brockway Engineering check number 6777 for a total of \$175.00 is enclosed.

Please let me know if you need additional information and particularly if the Extension of Time can be granted.

Sincerely,

Charles E. Brockway, P.E.
