NOTICE TO RESUME WATER USE

Re: Water Right Nos. 37-0113F & 37-0480F

Dear Applicant(s):

On the 13th of May, 2002, the department approved two Applications for Extension of Time to Avoid Forfeiture for Water Right nos. 37-0113F & 37-0480F. The department granted the request for the irrigation of 96 acres. One condition of the approval was that diversion and use of this water must resume on or before June 1, 2007. Failure to resume use of the water and to notify the department of the resumed use would be cause for the water to revert back to the state and again be subject to appropriation.

I am enclosing a Resumption of Use form for your use to notify the department of your resumption of use of the water right. Please complete the form and return it to my attention at the above address.

If you have any questions regarding this matter, please contact me at (208) 287-4942.

Sincerely,

Deborah J. Gibson
Administrative Assistant
Water Allocation Bureau
