RE: OWNERSHIP CHANGE WATER RIGHT #36-2365B, 36-2473D, 36-7011B,  
36-11506  
WATER PERMIT 36-8282

Dear Mr. and Mrs. Crane

The Department has been notified that you are the current owners of the property to which the above water rights are appurtenant. In order for our records to be changed, however, it is necessary for you to complete the enclosed Notice of Change of Water Right Ownership form. Please complete it per the instructions (pages 3 and 4), include the required information listed under item 2 and return everything to the Department. I also enclose an Assignment of Permit form. Because this water permit has not yet been licensed, an Assignment of Permit is required for the ownership change for this permit. Please use the form if this permit is now your sole property. Please note that there is a filing fee for the Assignment of Permit and the Notice of Change in Water Right Ownership forms.

Thank you for your prompt attention to this matter and should you have any questions please feel free to contact me.

Sincerely,

Carrie Hahn  
Clerk
