Re: Withdrawal of Application for Extension of Time to Avoid Forfeiture, Water Right No. 63-3242

Dear Mr. McIntyre:

By your letter dated March 29, 2000, your company withdrew the above referenced application. The application originated in the name of Mooney Land Company on November 18, 1996. The application subsequently evolved into one in the name of your company based on ownership changes processed by the Idaho Department of Water Resources (IDWR).

The right was decreed to Micron Technology Inc. on February 16, 2007.

Apparently IDWR failed to acknowledge withdrawal of the application. Please accept this overdue recognition of that step. I hope you are not inconvenienced by this long overdue acknowledgement letter.

Please let me know if you need more information in this regard.

Sincerely,

A handwritten signature in cursive script that reads "Steve Lester".
