MEMO TO: THE FILE
FROM: NORTHERN REGION
SUBJECT: APPLICATION FOR AMENDMENT OF A PERMIT (98-7018)

THE NORTHERN REGION HAS EVALUATED THIS REQUEST FOR AN AMENDMENT, WHICH CONSISTS OF AN ADDITIONAL POINT OF DIVERSION. THE ADDITION OF A FIFTH WELL IS IN THE NEAR PROXIMITY OF THE EXISTING FOUR WELLS AND IT IS THE OPINION OF THE NORTHERN REGION, THE FIFTH WELL WILL NOT CAUSE HARM TO ADJACENT PROPERTY OWNERS. THEREFORE THE ADVERTISING OF THIS REQUEST IS DEEMED UNNECESSARY.

ROBERT G. HAYNES, P.E.
NORTHERN REGIONAL MGR.
