Re: permit review

ESRP and Trust area.

WD 34.

No overlap.

Protest withdrawn and withdrawal conditions included. I spoke with the attorney on 3-22-06 regarding which water rights in the QQ identified in the mitigation plan (NWSE , sec 5 T4N R24E) would be used for mitigation. He indicated that all four would be changed to dry up 6 acres and sent a written copy. 34-513A -514A, -515A and -560A will be reduced by 6 acres.

Recommend approval as suggested by IDWR Eastern.
