Re: Water Right No. 63-2994

Dear Mr. Gigray:

The Department of Water Resources has received your note that you've replaced your well located in the NW 1/4 NE 1/4 of Section 26, Township 4 North, Range 3 West of the Boise Meridian. Water Right transfer is not necessary to replace a well so long as replacement well is located in the same tract. In this case no transfer is necessary.

Thank you for informing the Department of Water Resources that the process is complete.

Sincerely,

Shelley Keen, Acting Section Manager
Water Right Permits Section
