Re: Water Right No. 63-2994 [Owner: Canyon Hill Irrigation District]

Dear Ms. Keen:

Enclosure: 1) Well Driller's Report
2) Exhibit D

Information: This is to advise that the Canyon Hill Irrigation District has completed the move of its well [see "Well Driller's Report" enclosed].

The old and new locations of the well are within Lot (tract) 2 City View Tracts situated in the NE ¼ of Section 26, Township 4 North, Range 3 West of the Boise Meridian. The well was moved by reason of the State of Idaho Transportation Department's Project No. IM-NH-84-1 (043) 29 Key No. 7795 Parcel No. 17 Parcel ID No. 0042793, which is the improvement of Exit 29 on Interstate 84 in Caldwell, Idaho. The new location of the well is within the Exclusive Permanent Easement as shown within Lot (Tract) 2 City View Tracts as depicted on page 2 of Exhibit D, which is enclosed stamped by David S. Short Professional Land Surveyor registered No. 5461. The former well site was within the same Lot (tract) 2 City View Tracts within the northwest part of said Lot.

Request: Please review this information and advise if the Canyon Hill Irrigation District is required to provide any additional filings to document and secure this new location for the use of the water right mentioned above.

Very truly yours,

WHITE PETERSON
